

S2 Project – Mobile App Development: Button Pressing Speed-Test (BPST)

You are a mobile app developer. In the coming few weeks, you are going to develop an App to test the button pressing speed of the player. We name the App as "BPST_mobile".

Structure: Screenshots are captured from <https://www.clickspeedtest.info/spacebar-speed-test>

 Press the Spacebar 2000 - How To Play - 1. Select a Time Frame; 5, 10, or 20 Seconds 2. Countdown starts upon pressing the Spacebar for the first time 3. See how many times you can hit the spacebar in the time you're given 4. Try to beat your personal high score or even the all time high score! Time Select Personal Best 5sec Wipe Personal Scores 10sec 0 20sec 138 (Back To Title Screen)	 Press the Spacebar 2000 Personal Best 5 Seconds Of Speed Tapping High Score 0 05.00 0 Time Left (Press The Spacebar To Begin) Did you want: 10sec 20sec Main Menu
<u>Screenshot 1: Main Screen (Screen1)</u> <u>Player can choose the time limit.</u>	<u>Screenshot 2: Testing Screen (Game)</u> <u>Player can press the button to start the game.</u>
 Press the Spacebar 2000 Personal Best 5 Seconds Of Speed Tapping High Score 0 00.00 0 Time Left Click To See Your Score! Did you want: 10sec 20sec Main Menu	 Your Score is... 39 Retry Submit Score Main Menu
<u>Screenshot 3: Testing Screen (Game)</u> <u>Timer stops when time is up.</u>	<u>Screenshot 4: Result Screen (Score)</u> <u>Player can see the score.</u>

Technical requirements:

- At least 3 screen (Screen1, Game and Result). You can add more screen when necessary.
- All graphics used should be designed by you. Including:
 - **Background Image**
 - **ALL buttons.**
- User can select different time limit in the App.
- The App can count the number of button pressed.
- The App can show the result after the time is up.

Marking Scheme: Total 30 marks

(Good quality 5 marks; Medium quality 3 marks; Poor quality 1 marks; No attempt 0 mark)

Check Point	Description	Marks
3 Screens	The App contains at least 3 screens (Screen1, Game and Result).	5 marks
Backgrounds	All background image of every screen should be the cartoon characters drawn by you.	5 marks
Buttons	All buttons should use the image designed by you.	5 marks
Time Limit	The App provides different time limit to the player.	5 marks
Counting	The App can count the number of the button being pressed.	5 marks
Result	The App can show the result.	5 marks
Bonus	All creatives design.	5 marks
