

工作表 03 - 程式記錄

任務 1 (16 分): - 設計程式。

請在課堂上根據老師的指示，設計你的程式記錄，並記在下面。以下是一個在 "Screen1" 中的範例。

畫面 "Screen1"

When Bt_5sec.Click

do open another screen with start value screenName "Games"

startValue 5

When Bt_10sec.Click

do open another screen with start value screenName "Games"

startValue 10

When Bt_15sec.Click

do open another screen with start value screenName "Games"

startValue 15

When Bt_quit.Click

Do close application

畫面 "Game"

```
when btn_clickMe.Click
```

```
do open another screen with start value      screenName      "Result"
```

```
startValue      99
```

```
when Game.Initialize
```

```
do set lbl_time.Text to get start value
```

畫面 "Result"

```
when btn_home.Click
```

```
do open another screen      screenName      "Screen1"
```

```
when Result.Initialize
```

```
do set lbl_score.Text to get start value
```
